Description	Hermann Dehlmann was naturalized on 29 Oct 1859 in New York with a note that he came to the US under the age of 18 years. Since he was born 10 May 1822 to Catherina Margaretha Dehlmann (father not listed so likely illegitimate), that would mean he arrived by 1840. He was a ship's carpenter by trade.
Facts	He was baptised in Hanover on 22 May 1823, at a year old, when children were typically baptised within a few weeks of birth, also suggesting that he was illegitimate. He died on 4 Jan 1901 and his death record in New York indicated that he has been in the US for 65 years, suggesting he arrived in 1835.
